Request to Opt-Out of Erin's Law Program

On January 24, 2013, Governor Pat Quinn signed a new law extending sexual abuse education in Illinois schools. Erin's Law requires all schools to provide child sexual abuse prevention education for all students, early childhood through 12th grade, annually. The law also allows parents to choose not to have their child participate in the program. If you do not wish for your child to participate, please complete this form and return it to your child's school by March 8, 2021. Prevention education for all students is scheduled to take place in all buildings beginning March 9, 2021.

*I hereby request that my child _____,
who attends _____, opt-out of participation in the Erin's
Law sexual abuse prevention program for the 2020-21 school year.*
