

WINNETKA SCHOOL DISTRICT 36 HEALTH INFORMATION

Student Health Requirements for the school year are as follows:

ALL HEALTH FORMS are online at www.winnetka36.org on our district web page. Click on “District,” then click on “Departments,” then click on “Nurses,” then click on “Health Forms.” Select the needed form. Hard copies may be obtained at your home school and/or at the district office.

All medical forms are due before the first day of school and must be dated after the start of the previous school year to be considered current.

The State of Illinois mandates a “Certificate of Child Health Examination” and/or requires a “Proof of School Dental Examination” and/or requires an “Eye Examination Report” upon entering certain grades (see chart or grade descriptions).

Grade	K	1	2	3	4	5	6	7	8
Child Health Examination	X						X		
Dental Examination	X		X				X		
Eye Examination	X								

Students new to the district must have a child health examination, a dental exam, and an eye exam. In most cases, current health documents for a new transfer student who has attended a State of Illinois school can be accepted.

Kindergarten students need a child health examination, a dental exam, and an eye exam.

Second Grade students need a dental exam.

Sixth Grade students need a child health examination, current immunizations, and a dental exam.

Immunization Requirements - All state of Illinois immunization requirements and information can be found at <https://dph.illinois.gov/topics-services/prevention-wellness/immunization>.

Religious Exemptions - Form must be signed by one’s physician and parent.

<https://dph.illinois.gov/sites/default/files/forms/religious-exemption-form-081815-040816.pdf>

Medication Permit - Required for any medication taken at school, either prescription or nonprescription. This form must have a parent and a physician’s signature. A new permit is required each year.

Food Allergy Action Packet - For any child with a severe food and/or a severe bee sting allergy..

Asthma Action Packet - For any child who is diagnosed with asthma.
