

WINNETKA SCHOOL DISTRICT 36 HEALTH INFORMATION for 2019-2020 School Year

Student Health Requirements for the 2019-2020 school year are as follows.

All HEALTH FORMS are on line at www.winnetka36.org on our district web page. Click on "Departments," then click on "Nurses," then click on "Health Forms." Select the needed form. Hard copies maybe obtained at your home school and or at the district office.

All medical forms are due before the first day of school. Forms must be dated after the start of the previous school year to be considered current.

The State of Illinois mandates a "Certificate of Child Health Examination" and or requires a "Proof of School Dental Examination" and or requires an "Eye Examination Report" upon entering certain grades (see chart or grade descriptions).

Please note: Unless the student is homeless, failure to comply with the above requirements by the start of school of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. . First time registrants have 30 days to comply from their date of registration.

These requirements can be found in The Winnetka Public School District #36 Policy 7:100.

Medical objection - a statement from the MD, DO, APN or PA indicating that an immunization is "medically contraindicated" is acceptable and will be attached to the student's physical exam form in lieu of the vaccination. In case of disease outbreak, the student must be excluded from school. Should the condition of the child later permit immunization, the requirement will then have to be met.

Religious Exemption - requires the filing of a signed statement explaining the objections to physical exam, health screenings, and/or immunizations on religious grounds. General philosophical or moral reluctance will not provide a sufficient basis for exemption. In case of disease outbreak, the student must be excluded from school. New 10/16/2015 one's physician must also sign this document.
