Winnetka, IL

Dear Winnetka Public Schools Community,

As we begin our school year, we would like to announce the launch of *Future Ready D36*, an Educational Master Facility Plan process in The Winnetka Public Schools. The first plan of this nature in 20 years, *Future Ready D36* builds upon the work of the Enrollment Balancing Project that began in summer 2016. ***Future Ready D36 is a holistic process that will measure, validate, quantify, and qualify opportunities to align our school facilities, our enrollment, and our vision for teaching and learning to meet the needs of current and future students in a fiscally responsible manner.***

We hope you will engage in this process with us (see opportunities below). We look forward to collaborating together on a future-focused plan that will benefit the children and families of Winnetka for many years to come. Thank you for the important role you play in our community of learners.

Sincerely,

The Winnetka Public Schools Board

APPLY TO JOIN THE *FUTURE READY D36* CORE TEAM

Contribute your time and insight to this project by applying to serve on the Core Team, a Superintendent advisory group that will be comprised of community members, D36 administrators, and staff. The application is available on www.winnetka36.org through September 20, 2017.
